WORKING TOGETHER TO PROMOTE THE ARTS  
P.O. BOX 456 UNION, WV 24983  
A NON-PROFIT ORGANIZATION 501-C-3

The Monroe Arts Alliance is a nonprofit organization that promotes and enhances the arts in Monroe County. Each year it is our privilege to give a grant to a graduating senior who has shown interest and talent in visual arts. The senior is chosen by the James Monroe High School art instructor.

The grant this year goes to Ms. Sydney Phipps. She is excellent in visual arts and also is described as respectful, kind and driven. With attributes such as these, the board of directors feels she is most worthy of this grant. Congratulations Ms. Phipps.
